What you need to add

123 Example Ave SW, Calgary, AB (FICTIONAL SAMPLE)

Items marked REC on your plan were placed by us because they were not in your photos or sketch

Required for the best chance of approval - install before your inspection. Then confirm each spot with us so we can update the plan.

This page lists what the City and Calgary Fire Department sources ask for. It is not a guarantee of City approval; the City/CFD makes the final decision.

What to add	Where (see REC on plan)	Why it is needed (source)
Fire extinguisher, 2-A rating	Main Floor - Kitchen / Dining (on wall) (shown as REC on the plan)	At least one 2-A extinguisher per storey, permanently mounted 3-5 ft high, visible and accessible, shown on the plan. Checklist #25; S3 p.6, NFC(AE) 2.11.2.1(1).

Evacuation Procedure & Emergency Contacts

123 Example Ave SW, Calgary, AB (FICTIONAL SAMPLE)

Read before your stay. Post with the floor plans.

FIRE OR SMOKE? GET OUT, THEN CALL 9-1-1

1. Shout "FIRE!" and wake everyone. If an alarm sounds, treat it as real.
2. Before opening a door, feel it with the back of your hand. If it is hot, use your other way out.
3. Leave by the nearest exit, following the green primary route on the floor plan.
4. If the primary route is blocked, use the orange secondary route or the bedroom egress window.
5. Stay low under smoke. Close doors behind you to slow the fire.
6. Do not stop for belongings. Do not use an elevator.
7. Go straight to the meeting place: Front sidewalk at the mailbox
8. Call 9-1-1 from outside. Tell them the address: 123 Example Ave SW, Calgary, AB
9. Count everyone at the meeting place. Never go back inside; tell firefighters if anyone is missing.
10. Use the extinguisher only on a small fire and only if you have a clear exit behind you.

Emergency contacts

Fire, police, ambulance (emergency): 9-1-1
Calgary Fire Department, non-emergency: (403) 264-1022
Non-urgent fire department questions: 311
Host 24/7: Jordan Host 403-555-0100 / host@example.com

Where to post this plan

Near the main entrance, with the occupant load card and host emergency contact (Calgary STR guide).
A copy prominently posted on each floor (NFC(AE) 2.8.2.7.(1)).
Keep posted copies legible and permanently mounted.
Mount each extinguisher on the wall 3-5 ft (0.9-1.5 m) high, visible and always accessible.
